

DEDICATION SONG

*Lord, we dedicate this child to You.
Lord, protect her for a life that's true.
And for ourselves we ask Your Spirit to renew.
Lord we dedicate this child.*

**Jesus taught us all about the Kingdom of God;
We must be humble like a little child.
And woe to anyone who makes them stumble,
God's judgement falls on those who have defiled.**

*Lord, we dedicate this child to You.
Lord, protect her for a life that's true.
And for ourselves we ask Your Spirit to renew.
Lord we dedicate this child.*

**Jesus taught us all about the Kingdom of God;
The little children we must not despise.
Their guardian angels are there in heaven
To look continually into God's eyes.**

*Lord, we dedicate this child to You.
Lord, protect her for a life that's true.
And for ourselves we ask Your Spirit to renew.
Lord we dedicate this child.*

**Jesus taught us all about the Kingdom of God;
To be a servant when a child we see.
If we are ready to receive the children
Then Jesus says: "You are receiving me."**

*Lord, we dedicate this child to You.
Lord, protect her for a life that's true.
And for ourselves we ask Your Spirit to renew.
Lord we dedicate this child.*
